CHAIN SAW - TWO MAN ELECTRIC

A handy tool with powerful motor, exclusively designed for Saw Mills, Plywood/Veneer Industries, Match Factories, Wood Working Shops, Packing Departments, Fire Wood Depot, Boiler House and in many allied industries. As it is centrally balanced, it gives perfect straight cut and no extra effort is required for cutting fast.

Its dynamic balanced motor enables non-stop and smooth operations. Its imported steel chain and bar ensures functional efficiency of the highest order. Cutting through toughest wood as smooth as a hot knife through butter. This hard working and smooth operating machine can execute upto a hundred cuts in an hour as compared to four or five done manually.

Applications

Paper Roll Cutting

The only reliable machine for cutting fast the imported paper roll. It cuts fast and hence a very economical machine.

Fire Wood Cutting

For Boiler House and Brick manufacturers, fast cutting and splitting of firewood is made possible. Recommended as OE equipment to boiler manufacturers in their package of supplies. The problem of fuel of Boiler houses can be reduced by owning Sharpex® chainsaw because it's the ultimate machine in cutting and splitting firewood in the fastest way.

A superb Combination!

It cuts firewood logs into pieces in seconds and these pieces can split further by our great product, namely "Automatic Firewood Splitter" which is compatible with Two Men Chain Saw Machine.
